

RVM Token Terms of Service

These Terms of Service and Privacy Policy govern your access to and use of the RVM platform, including the RVM Token, Reverse Vending Machines, and any related services

RVM's Goals and Vision:

RVM is dedicated to promoting a sustainable future by:

Encouraging Recycling: * We aim to incentivize widespread recycling behavior.

Building a Circular Economy:* We strive to create a closed-loop system where waste becomes a valuable resource.

Empowering Users: We believe users should be rewarded for their positive environmental impact.

These Terms and Policy reflect these core values.

Terms of Service

1.1. Eligibility:

You must be at least 18 years old and have the legal capacity to enter into a binding agreement to use the Service.

1.2. Use of the Service:

You agree to use the Service in accordance with all applicable laws and regulations. You will not use the Service for any illegal or unauthorized purpose, including:

- Damaging or disrupting the Service or any connected network.
- Infringing on the intellectual property rights of others.
- Engaging in fraudulent or misleading activity.

1.3. RVM Token

- The RVM Token is a utility token used within the RVM ecosystem.
- You are solely responsible for managing your Token holdings securely.
- We are not responsible for any loss or theft of Tokens due to your negligence.

1.4. Termination:

We may terminate your access to the Service for any reason, with or without notice.

1.5. Disclaimer:

The Service is provided "as is" and without warranties of any kind, express or implied. We disclaim all liability for any damages arising from your use of the Service.

RVMT, its affiliates, and its officers shall not be liable for any loss or damage arising from your participation in the presale or use of the website. You agree to indemnify and hold harmless RVM from any claims, damages, or expenses arising from your breach of these Terms.

1.6 Risk Acknowledgement

Cryptocurrency investment holds a higher risk level. You acknowledge that the value of RVM tokens is highly volatile and that the project is dependent on the success of the presale. RVM Network does not guarantee any specific outcomes or the successful launch of the project.

1.7 Dispute Resolution

We are committed to resolving disputes with users promptly and fairly. In the event of a disagreement, we encourage you to first contact us directly at [insert contact information] to seek a mutually agreeable resolution.

If a direct resolution is not achieved, the following dispute resolution process will apply:

Mediation: We strongly prefer to resolve disputes through mediation, which is a confidential process where a neutral third party helps the parties reach an agreement.

Arbitration: If mediation is unsuccessful, the dispute will be settled by binding arbitration in accordance with the rules of a reputable arbitration organization. The arbitration will be conducted in United Kingdom.

Litigation: As a last resort, disputes may be brought before a court of competent jurisdiction.
